Dear Deepa Gupta,

We are pleased to convey our joy and contentment regarding the prosperous partnership established between Delhi University and Moscow City University (MCU). The collaboration has facilitated cultural exchange, academic development, and global understanding.

We attached a report highlighting the achievements and initiatives undertaken during our partnership. The report showcases joint projects, faculty visits, and other collaborative endeavors. Considering the positive impact and mutual appreciation of our collaboration, we eagerly seek to renew the Memorandum of Understanding (MoU) between our institutions.

We appreciate the enriching partnership we have shared and look forward to further strengthening our collaboration for the benefit of both institutions.

Best regards,

Daria

Dear Daria,

Thanks for writing to us to renew the MoU and a draft template. In order to process the renewal we need to put up an activity report for the period of its validity.

We request MCU and Department of SFUS to kindly send the activity report at the earliest possible.

Thanks and regards,
Deepa Gupta
