Göttingen, 1. Oktober 2019

Dear Professor H.P. Singh,

I am writing to you in the capacity of Director of the Institute of Iranian Studies at Goettingen University (Germany). I will be leading a students visit to the Indraprastha College for Women at the University of Delhi during January 2020 for the purpose of a Joint Students' Workshop, which will be coordinated by Dr. Meenakshi Khanna, Associate Professor in History at the Indraprastha College. Our project is facilitated under the Namaste+ Programme/Grant.

In the interest of furthering linkages between the Univ of Goettingen and Univ of Delhi, Dr. Khanna will already be visiting Professor at Institute of Iranian Studies during Nov-Dec 2019 under Namaste+ initiative.

This is to kindly request you to facilitate accommodation for 4-5 rooms for the students and myself as the accompanying mentor of the group. We will be in Delhi from January 3rd to 12th and seek to stay at the University campus to accomplish the workshop and explore the DU campus. It will be helpful if we could get rooms at the International Guest House on your campus.

We look forward to furthering our association with DU through similar other ventures in the future.

Thanking you for your cooperation in advance.

Yours Sincerely,
