It may also be noted that UGC had proposed to link "**AADHAAR**" with bank account of students so that there can be direct cash transfer and effective disbursal of fellowship into bank account of the student. In this regard, Secretary, UGC had requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

प्रिय उम्मीदवार,

यह संस्थान के पीएच.डी. कार्यक्रम के लिए आपके आवेदन और उसके पश्चात जुलाई 01, 2019 को लिखित प्रवेश परीक्षा एवं जुलाई 02, 2019 को हुए साक्षात्कार के संदर्भ में है। मुझे यह सूचित करते हुए खुशी हो रही है कि आपको संस्थान के शैक्षणिक सत्र 2019-20 के पीएच.डी. कार्यक्रम के लिए चयनित किया गया है।

यदि उपरोक्त दाखिले का प्रस्ताव स्वीकार्य हो तो आपसे `8,115/- की राशि, जिसमें `615/- (`100/- वार्षिक शुल्क, `5/- पंजीकरण शुल्क, `10/- नामांकन शुल्क और `500/- लाइब्रेरी प्रभार के तहत) और `7,500/- एक बार पंजीकरण शुल्क के तहत शामिल है जो कि जवाहर लाल नेहरू विश्वविद्यालय, नई दिल्ली को देय है, जमा कराने का अनुरोध है। फीस की कुल राशि `8,115/- जुलाई 15, 2019 तक 'निदेशक, नेशनल इंस्टिट्यूट ऑफ प्लांट जीनोम रिसर्च, नई दिल्ली', के पक्ष में डिमांड ड्राफ्ट या नकद द्वारा जमा कराई जा सकती है। फीस निर्धारित तिथि के भीतर जमा नहीं करने पर, प्रवेश के प्रस्ताव को रद्द कर दिया जाएगा और सीट "प्रतीक्षा सूची" में अगले उम्मीदवार के लिए प्रस्तावित की जाएगी।

यह आवश्यक है कि सत्यापन के लिए अपनी शैक्षिक योग्यता के समर्थन में सभी प्रमाण पत्र सहित एम.एससी. प्रमाण पत्र, मान्य फैलोशिप प्रमाण पत्र, माइग्रेशन प्रमाण पत्र, आरक्षण की मांग के लिए समुदाय प्रमाण पत्र, मूल रूप में, एवं प्रत्येक की एक सत्यापित प्रति, को प्रस्तुत करें। बाद में सत्यापन के दौरान अगर यह पता चलता है कि उम्मीदवार 'अन्य पिछड़ा वर्ग' का नहीं है अथवा वह क्रीमी लेयर से है, तो बिना किसी कारण बताए, दाखिला तत्काल ही रद्द कर दिया जाएगा। **(केवल यूनियन/केन्द्रीय सरकार द्वारा जारी जाति प्रमाण पत्र, आरक्षित सीटों पर प्रवेश के लिए मान्य होगा)।**

इसके अलावा, अन्य पिछड़ा वर्ग श्रेणी के अंतर्गत आरक्षण की मांग करने वाले उम्मीदवारों को सक्षम प्राधिकारी (माता-पिता के नियोक्ता / एसडीएम) से एक प्रमाण पत्र लाने की सलाह दी जाती है जिसमें यह पुष्टि हो कि वह ओबीसी के क्रीमी लेयर के अंतर्गत नहीं हैं, और पिता और माँ (अगर कार्यरत हैं) के संबंध में पिछले तीन वर्षों के लिए वार्षिक कुल वेतन को दर्शाते हुए विधिवत प्रमाणीकृत वेतन प्रमाण पत्र भी प्रस्तुत करें।

यदि एम.एससी. के आपके अंतिम वर्ष की परीक्षा का परिणाम अभी प्रतीक्षित है, तो पूर्व लिखित अनुमति के बाद अगस्त 31, 2019 तक, सकारात्मक रूप से, अंकपत्र / प्रमाण पत्र को संस्थान में प्रस्तुत किया जाता आवश्यक है।

उपरोक्त दाखिला अनंतिम है और मूल रूप में आवश्यक शैक्षिक योग्यता प्रमाण पत्र, आदि के प्रस्तुतीकरण पर आधारित है।

शुभकामना के साथ,

भवदीय,

Dear KUMARI TEENA .,

Congratulations! I am pleased to notify you that you have been admitted to the College of Natural Sciences and Mathematics at the University of Houston for Mathematics, PHD. The requirements for your degree plan can be found on your department's website. Initial course advising will be provided during your department's new student orientation.

We are pleased to offer you a Teaching Assistantship for 9 months with a monthly stipend of \$2176.21. You will receive the Graduate Tuition Fellowship which will cover in-state tuition and mandatory fees for 9 credit hours. To be eligible for the assistantship, you will be required to enroll in a minimum of 9 semester credit hours each Fall and Spring semester. Your employment in an assistantship position and enrollment in a minimum of 9 credit hours qualifies non-Texas residents and international students for a waiver of the additional expense of non-resident tuition. The continuation of this offer is contingent on you maintaining a minimum cumulative grade point average of 3.00 each semester and your satisfactory performance and progression towards your degree and successful performance of your duties. Failure to abide by the department regulations may result in the loss of your support. In the coming days, you will be receiving communications with more details on the terms of your employment, orientations, and other information to get you started.

If you are a resident of the State of Texas, we recommend that you fill out the FAFSA form (Free Application for Federal Student Aid). Texas residents receiving the Graduate Tuition Fellowship must fill out the FAFSA. Other Texas resident students who have filled out the FAFSA form and have demonstrated financial needs may be eligible for the Graduate School Fund, which helps defray some of the tuition costs.

If you are an international applicant who requires a Form I-20 for your F-1 visa, please note that the I-20 request will be processed as soon as you have accepted the admissions offer and submitted all required documents. International students must have health insurance while studying at UH. Upon matriculating at UH, you will be automatically enrolled in the UH student health insurance program. You may be eligible for a waiver if you have your own health insurance from your home country. We strongly recommend that you consult the university website to familiarize yourself with the conditions required for a health insurance waiver (

<http://www.uh.edu/healthcenter/insurance/international-student-health-insurance-requirements/index.php>).

Your myUH ID is located above and is important because it is now your direct connection to managing a wide range of student activities and services - including enrolling in courses, viewing grades, making payments, viewing academic records, and much more. You can familiarize yourself with your myUH portal by going to myUH.uh.edu.

It is the policy of the College of Natural Sciences and Mathematics that all graduate students must maintain continuous enrollment in every Fall and Spring semester. University policy requires that MS students complete their degree within five years of the date of initial enrollment and that PhD students complete their degree requirements within ten years. As specified by the State of Texas, PhD students must complete all degree requirements within 100 PhD semester credit hours or be prepared to pay premium tuition for the additional hours.

Please note, before enrolling in courses, all new graduate students must submit official proof of a completed Bachelor's degree. Students who have earned a three-year Bachelor's degree must also submit official documents for their Master's degree. If we have not received a completed academic record for you, you will not be able to enroll in classes at this time. If you have any questions regarding what materials are missing or how to establish proof of degree, you may contact gradschool@uh.edu.

On behalf of the administration, faculty, and staff, welcome to the University of Houston! We look forward to you joining us this next semester. If you have any questions, please contact the Staff Advisor or Graduate Faculty Chair in your new department.

Sincerely,

William Fitzgibbon , PhD

Graduate Director

She then received her Master's degree in Modern Indian History from the University of Delhi and her M.Phil. from the same. She is a historian by training and specializes in labor history. Her doctoral dissertation plans to examine the processes of identification authorized by the colonial state to establish the certification routine for children employed in the textile mills of Bombay in the late nineteenth and early twentieth century.

She is interested in exploring how the 'industrial child' was produced as an age-based category through the interaction between these regulatory processes, a corrupt bureaucracy, and a superficial colonial concern for child protection. She wants to look into child labor from the child's perspective and childhood itself.

gkbanerjee@berkeley.edu

Gaurav Banerjee is a graduate student of early modern South Asian history and is interested in studying the social history of bodily desire and discipline in the construction of 'the ideal man' in Mughal north India. Engaging with Persian and Urdu ethical and legal documents, he attempts to probe into the forms of power and authority, instruments for the diffusion of knowledge, and the discourses it generated, within the Mughal elite and non-elite spaces. Apart from gender and sexuality, Gaurav is further interested in studying the intersection of health, religion, and community in early modern South Asia. Prior to joining UC Berkeley, Gaurav received his MA in History from the University of Delhi (2022) and BA (Honors) in History from Hansraj College, University of Delhi (2020).

Dr. Saeed Ahmad

Saeed Ahmad was a PhD student, and part of the research group "State and Democracy" under the supervision of Prof. Dr. Srirupa Roy.

His project examined the entangled relationship of migration and urban identity through a comparative-historical ethnography of migrant negotiations with the literary and physical spaces and cultures of the city of Delhi between 1911 and the present. Moving beyond top-down approaches, sources on settlement/rehabilitation policies and programs, the aim of the project is to move beyond temporal 'freeze-frames' that are suggestive of a definitive time frame for settlement/rehabilitation, to look at the long-term everyday-ness of migrant urban identity formation through a historical comparison of everyday urban public culture in the context of three key migration moments in Delhi's modern history. The political and cultural effects of the influx of new populations at various points of time in the history of Delhi is the focus of this study; populations that negotiated with the new urban spaces and existing residents, and forged a sense of 'elsewhere belonging' or 'migrant belonging' to Delhi. At a time when migrations of new populations to cities for various voluntary and involuntary reasons is increasingly constituting the ground of urban life, this study hopes to offer empirical and historical insights into the development of migrant forms and practices of urban belonging - how the 'elsewhere citizen' can be the agent of a new urban future.

About

Nandita Goswami's research interest lies in studying the socio-cultural histories of medieval and early modern South Asia, particularly northern and eastern India. Her current research focuses on writing an early modern socio-cultural history of Assam. Broadly, it takes into consideration questions related to the formation and nature of the early modern Ahom state, kingship, and political culture. Nandita's emphasis is on tracing their interconnections, shifts, and continuities, juxtaposed with the larger socio-cultural processes of early modern eastern India. She engages in a close reading of extant vernacular sources in the form of buranjis/Ahom court chronicles, Persian sources, and colonial documents written by the early colonial visitors to Assam before its annexation by the British colonial state in 1826.

Nandita completed her BA (Hons.) in History from Lady Shri Ram College for Women, University of Delhi; after which she pursued her MA and MPhil in Medieval Indian History from Faculty of Social Sciences, University of Delhi. Proficient in English, Assamese, and Hindi languages, Nandita has completed a certificate-level program in Persian and is undertaking an advanced level Persian course to aid in research.

Paridhi David Massey's research interest lie in the study of colonial cities, pilgrimage centers and religious tourism. She is particularly interested in the study of urban communities, religious spaces, spatial politics of cityscapes, and urban technologies of rule. Her doctoral research is based on the region of Braj- Mathura as a city and pilgrimage center in the nineteenth century. She plans to look into the historical evolution of the region of Braj beginning from the mid-nineteenth to the late twentieth century while trying to understand the same through the process of urbanism and city-formation and its relationship with sacred-spaces. Paridhi has a background in the discipline of History, with an undergraduate degree from St. Stephen's College, a post-graduate degree in Modern Indian History and an MPhil from University of Delhi. Her MPhil dissertation titled "Women Writing Self-Respect Histories, 1926-47", was an attempt to investigate alternative ways of writing the histories of gender and caste through a critical reading of women's narratives in the Self-Respect Movement in Tamilnadu. Through a literary analysis of women's writings, her work explored questions of space, a reading of the inner mechanics of caste, conjugality and patriarchy in the everyday life of women. In addition to fluency in Hindi and English, she has basic linguistic skills in Sanskrit and Tamil language.

Personal Statement:

The Partition of India and Pakistan in 1947 displaced Hindu-Sylhetis from their territorial home in Sylhet, which is today in Bangladesh, then East Pakistan. The circulatory movement of Sylhetis between East Pakistan and India that ensued for two decades triggered the new postcolonial nation to accommodate rehabilitation of the community within an urbanizing landscape of the regional capital of Shillong. My dissertation explores the ways in which class and caste locations of displaced Sylhetis informed their various technologies of self-making as Hindu political subjects of the Indian nation-state amidst growing anxieties of belonging, dispossession and inter-religious tension. It also utilizes the encounters of these displaced people with 'state' enterprises of rehabilitation while they sought to reinvent themselves as citizens as a granular look at the making of the 'state' of the new nation and spatial orders of urban Shillong. I use bureaucratic archives of rehabilitation, land relations and urban planning in dialogue with ethnographic fieldwork to demystify the making of the 'state' and register the postcolonial continuum in which novel claims about nationhood are situated.

International Students

You cannot use this document to apply for a Student visa. If you need to apply for a visa to study in the UK under the Student route, please start preparing to do this as early as possible. It can take weeks to gather your documents and complete the application form, then many more weeks before you receive your visa. Key points to note are:

- LSE has an advice service for international students who require a visa in order to study: the LSE Student Advice and Engagement Management Team (SAET).
- Many visa applications are refused for financial reasons. Please pay close attention to the SAET's guidance about financial documents: lse.ac.uk/isvat-faqs
- You can find detailed guidance written specially for LSE students at: <https://info.lse.ac.uk/current-students/immigration-advice> and for all students on the UK Visas and Immigration website: <https://www.gov.uk/student-visa>. Please read this before you make your application.
- You can only apply for a visa once you have received your Confirmation of Acceptance for Studies (CAS) number. The earliest you can apply is a maximum of six months (for applications made outside the UK) and three months (for applications made in the UK) before the official programme start date as stated on your CAS. It is not possible to do this any sooner.
- If you are already in the UK with a Student visa for a different institution, you will have to apply for a new visa under the Student route to study at LSE before you can enrol and study at the School. Please contact SAET for advice on your options before submitting an application to avoid a refusal. To obtain a visa, you will require us to issue you with a CAS. For this, you will need to hold a full-time, unconditional offer from LSE and have submitted both an online Offer Reply Form confirming that you have accepted our offer and the Financial Undertaking Form. Being issued with an offer letter does not guarantee we will be able to issue you with a CAS and we may need to contact you for further information. Generally, we begin issuing CASs by email from May 2023 onwards. Please note that being issued a CAS does not guarantee that you will be issued with a visa. You will need to comply with the UKVI requirements to make a successful visa application. If your visa application is refused, we may not be able to support you with a new CAS. Please also note that, if you require a visa to study in the UK and need to apply before travelling, you must apply for and obtain this visa before campus enrolling at the School. You cannot enrol and attend teaching if you are in the UK on a Standard Visitor (tourist) visa.

Acceptance as a PhD candidate

Dear Ms. Lakhanpal,

It is my pleasure to accept you as a PhD candidate in my group. You will be working on a project funded by the BMBF (German Ministry for Education and Science), with the subject of “free electron laser based photoelectron spectroscopy for the study of structure and ultrafast dynamics of size-selected clusters”. You will be employed by the university, with a standard contract – the payment scheme is according to 50% TV-L13.

We expect you to start your work on the 15.1.2023.

This acceptance is subject to the condition that the PhD commission of the physics institute judges your qualifications as sufficient for starting a PhD; usually just a formality.

Additionally to your position in my group you will have the opportunity to join the research training group Dyncam, a new graduate school at our institute also funded by the German Science Foundation. This membership is conditional on the acceptance by the RTG board, which I am confident will be the case.

I am looking forward to working with you.

**Dear Candidate,**

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in the National Eligibility Test (UGC-NET) conducted for December 2022. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., **13-04-2023** (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at **Annexure I** available on www.ugc.ac.in/netjrf

The Awardee is required to get admission and registration for regular and full time **M.Phil./Ph.D.** course in a University/Institution/College recognized by UGC at the first available opportunity **but not later than three years** from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on www.ugc.ac.in/netjrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship,
- Misconduct of Awardee,
- Unsatisfactory progress of research work,
- Failure in any examination related to M.Phil./Ph.D.,
- In case any other fellowship is drawn from other source(s),
- Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ecertificate.nta.ac.in>. The eligibility of the candidate is to be ensured by the institution/appointing authority. The category in which the candidate had appeared may be verified from NTA.

This electronic JRF award letter can also be verified by scanning the QR Code.
