Department of Business Economics, University of Delhi
...

6 April 2021

In its guest lecture series 'Philomathes', the Corporate Communication Cell of the Department of Finance and Business Economics is proud to host Mr. Karthik Gopalakrishnan of Gartner on the 8th of April to speak on the topic "How will Data, Analytics and AI impact decision making in Organisations?"

Mr. Gopalakrishnan is the Vice President, Research, of TalentNeuron at Gartner India. Having prior associations with L&T Infotech and Zinnov Management Consulting, he has redefined the research space with over 15 years of rich industry experience. Mr. Gopalakrishnan is a Computer Science graduate and holds double-masters from the University of Westminster and Oxford Brooks University. He is endorsed by many highly skilled individuals in the corporate space and is also associated with a Software product study publication.

We at DFBE are ecstatic about the opportunity and are looking forward to an informative and indulging session.

## "RECRUITMENT DYNAMICS IN THE FINANCE INDUSTRY"

Ranjika Debnath (Placement Head)
9433317767
placement@dbe-du.org

The Department of Finance and Business Economics, University of Delhi hosted the first leg of its prestigious HR Summit "Proximo Avenir 2021" on September 25, 2021. The theme for this year's Summit is "Conquering the Future". The event began with an opening note by Vice President Swar Jain and Prof. Yamini Gupta, Faculty Head for Placements, welcoming the esteemed panel members. The First Panel members discussed the topic "Recruitment Dynamics in the Finance Industry". The panel consisted of some of the industry's experts in their respective fields. The panelists were Ms. Megha Gupta, Ms. Jaya Laxmi, Ms. Anita Bhatia, Ms. Aditi Jha, Mr. Bikram Mishra (moderator). The discussion commenced with the moderator listing the finance-specific roles available in different sectors. Then the soft skills and hard skills were discussed that a potential candidate must possess to thrive in any particular sector. The panelists emphasized the importance of being aware of the jobs available, along with basic technical knowledge which is non-negotiable. Then the discussion moved towards the impact of automation on roles available. Towards the end, highlighting its benefits, the panelists asserted that no machine can take abstract decisions for us, which are essential in these unprecedented times.

Department of Business Economics, University of Delhi  
15 November 2021

'The future depends on what we do in the present' – Mahatma Gandhi

Department of Finance and Business Economics, University of Delhi is ecstatic to announce the 48th edition of its flagship event – 'The Annual Convention'. The affair is stated to witness some interesting panel discussions from esteemed industry leaders, with our Guest of Honour, Dr. Nagesh Kumar, gracefully navigating the audience in the theme "Millennium: Honouring the Past, Treasuring the Present, Shaping the Future".

Prof Nagesh Kumar is Director of the Institute for Studies in Industrial Development (ISID), a New Delhi-based public-funded policy think-tank under the Indian Council of Social Science Research. During 2009-April 2021, he served as Director at the United Nations Economic and Social Commission for Asia and the Pacific (UNESCAP), Bangkok holding several senior management roles including its Chief Economist, Division Director, and Head, South Asia Office. Earlier (2002-2009), Dr Kumar was the Director-General of the Research and Information System for Developing Countries (RIS), a New Delhi-based policy think-tank of the Ministry of External Affairs, Government of India. During 1993-98, he was Economist, UNU-MERIT, Maastricht, the Netherlands. He has also served on the boards of Exim Bank of India, ICTSD-Geneva, SACEPS-Dhaka. He has also served as a consultant for the World Bank, ADB, ILO, UNIDO, UNCTAD, UNDP, Commonwealth Secretariat, among others. A PhD from Delhi School of Economics, Dr Kumar is recipient of the Exim

**Fiesta**, the annual management, cultural, and sports fest of FMS Delhi, proudly ranks 8th in the D2C list of most popular B-school festivals, offering over 55+ diverse events spanning three days and drawing over 8000 participants from across the nation. This extravaganza not only serves as a platform for competitive spirit but also as a hub for academic enrichment with guest lectures, seminars, and workshops by industry experts, facilitating networking and industry exposure. Moreover, Fiesta strikes a balance between work and play by hosting fun events, creating a vibrant and memorable experience, and solidifying its position as a cornerstone event in the B-school calendar and a testament to FMS Delhi's commitment to holistic development.

Date: 5th February 2023

### Fiesta - Cultural and Technical events - 2023

Date: 3rd Week November, 2022

### **Futsal League -**

The Intra FMS Futsal League, meticulously organized by the Sports Society, emerges as a beacon of excitement in the midst of the hectic MBA life for FMS college students. Tailored exclusively for the FMS community, this event is a testament to the society's commitment to providing a vibrant outlet for the bustling minds engaged in the rigorous MBA curriculum.

Recognizing the need to nurture a love for sports amidst academic challenges, the league taps into the passion of MBA students for football. The selection of captains becomes not just a strategic move but a nod to leadership within the academic realm. The auction of players injects an element of thrill, transforming the event into a dynamic, engaging experience that resonates with the diverse talents of the FMS community.

As two groups of four teams each prepare to clash on the futsal court, the league becomes a respite from textbooks and lectures, offering students a chance to showcase their athletic prowess and build connections beyond the classroom. The Intra FMS Futsal League stands as a well-crafted intersection of passion and academia, fostering a holistic college experience for MBA students at FMS.

### **Box Cricket League -**

The Box Cricket League, popularly known as BCL, is a dynamic event organized by Sportsoc in collaboration with FMS volunteers. Drawing inspiration from the Indian Premier League, this one-day cricket tournament unfolds with captains appointed, and FMS students eagerly registering themselves for potential participation. A highlight of the event is the Auction, where players are auctioned off to different teams.

On the designated day, teams are strategically divided into two groups, engaging in round-robin matches. The format involves a tennis ball and adheres to standard Box Cricket rules, with each side playing 6 overs. The top two teams from each group progress to the semi-finals, leading to an exciting finale. Over the course of six editions, this event has become a tradition, leaving behind a rich legacy that is set to continue.

Not only does BCL serve as an entertaining platform, but it also serves as a talent pool, providing an opportunity to identify and showcase the cricketing prowess of FMS students. This, in turn, contributes to the selection process for the FMS Cricket team

## Conquest -

The annual Real Section Wars, organized by the FMS Sports Society, is a spirited competition where various sections engage in friendly rivalry to establish their supremacy. In the year 2022, the event unfolded over two weeks, featuring 10+ sports and drawing participation from over 100 students from both years representing their respective sections. Despite FMS lacking dedicated sports infrastructure, the unwavering spirit of sportsmanship and competition prevailed throughout.

The sports events were exclusively team-oriented, categorized into different tiers. Gold-tier events included Cricket, Futsal, Basketball, Table Tennis, Badminton, Tug of War, while Silver-tier events comprised Chess, Carrom, CS GO, Valorant. Additionally, there were bronze-tier events like Ludo and UNO, among others. The tournament unfolded as a thrilling roller coaster ride, with sections taking turns leading and falling behind.

**DEPARTMENT OF STATISTICS  
FACULTY OF MATHEMATICAL SCIENCES  
UNIVERSITY OF DELHI  
DELHI-110007  
Sports Day (2019-20)**

Respected Members,

We are pleased to present a succinct report on the Department of Statistics' Annual Sports Day held on November 09, 2019. The event, organized by The Heritage Club, aimed to promote sports and foster a sense of unity within the department.

The day kicked off with spirited Kabaddi matches, showcasing exceptional sportsmanship from both male and female teams. Participants displayed agility and spontaneity in engaging activities, including the Relay and Lemon-and-Spoon race, adding excitement and laughter to the event. The day concluded with intense tug-of-war matches, emphasizing strength, determination, and teamwork.

The Sports Day was a resounding success, with active participation from students and faculty, promoting physical well-being and healthy competition within the department.

We extend warm wishes and congratulations to all winners and participants. The event's success was made possible by the unwavering support from the department and its esteemed members.

Looking ahead, we aim to organize more such events to sustain the momentum and promote a vibrant and active community within the Department of Statistics.

We appreciate everyone who contributed to the success of the Annual Sports Day.

Sincerely,

The Heritage Club  
Department of Statistics  
Faculty of Mathematical Sciences  
University of Delhi

## The Heritage Walk, 2022

2<sup>nd</sup> April 2022

We all are aware of the story of the Taj Mahal. We know that Shah Jahan built the Taj Mahal in memory of his wife Mumtaz Mahal but do we know about a monument built in memory of the husband instead? Yes, there is a Mughal monument built by a wife in memory of her husband. However, this was built before the Taj Mahal. Yes, I am talking about the first garden tomb, Humayun Tomb.

On 2<sup>nd</sup> of April 2022 the Heritage Club finally conducted its first heritage walk in past 3 years. Following a strength of 52 students and two teachers, Dr. Arpan Kumar Thakur and Dr. Nisha Sumbherwal. We boarded for our journey in the bus at around 8:00 a.m. to our destination, The Humayun Tomb. We reached there in time around 8:50 a.m.

After reaching there we instantly got the entry as buying the tickets did not take much time. Reaching there we explored the tomb and its inside, including the main flower tomb which comprises of Humayun's tomb which houses the graves of his begums and other family members.

At around 11:00 a.m. we parted our ways towards one of the gardens of the tomb. Though the nostalgic vibes of picnic were refreshing, heritage club conducted various activities to keep the crowd engaged. Our 1<sup>st</sup> game was "cloth snatching" which everyone enjoyed as it was a 1 vs 1 activity and following it was our 2<sup>nd</sup> game "dumb charades" where we divided ourselves into two groups, girls vs boys. With a clear margin girls' side won by 2 points but still boys gave their best.

Without one noticing time passed like the cold and sweet breeze surrounding the park outside tomb. At 1:00 p.m. we retreated and went to the "Sundar Nursery" where we received our lunch which was pre-ordered for everyone. We had our first group lunch and the picnic vibes were hitting so hard it felt like those 6-8<sup>th</sup> class picnic trips and the tasty chur-chur naan thali with the gossips just felt like heaven on earth as a perfect day after ages we were experiencing.

Since Heritage club also takes care of its cultural element, we planned few more activities to spend the day with some more interesting games. First was kho-kho where we divided ourselves into groups, after a few matches we recharged ourselves with the cold chocolate shakes and can-drinks at a nearby booth. After kho-kho, we played games like human tic-tac-toe, passing the parcel, bingo, tug-of-war and number arranging.

Around 5:00p.m. when everyone was wearing out we decided to click some final group pics and departed our ways as our bus was waiting outside the nursery. And to conclude the trip everyone returned home safe and happy. The Heritage Club received blessings and warm regards from everyone present there and we wish to outshine as a club in the coming future.

A good day spent well.

The Heritage Club,

Department of Statistics,

University of Delhi

## **Report : International Yoga Day**

Respected Sir/Ma'am,

On June 21, 2022, the Department of Statistics enthusiastically celebrated 'International Yoga Day' under Azadi ka Amrit Mahotsav with a virtual event organized by The Heritage Club, held via Google Meet.

The event commenced with an introduction to International Yoga Day, followed by a warm welcome speech. Prof. Ranjita Panday, our respected ma'am, graced the occasion and addressed all the participants, emphasizing the significance of yoga in our daily lives. She passionately encouraged students to incorporate regular yoga practice into their routines to maintain physical and mental well-being. The atmosphere became even more vibrant with the conduct of an engaging quiz round, which heightened the enthusiasm among the participants.

A captivating yoga demonstration was presented by Ms. R. Ritika, showcasing various yoga asanas. The students actively participated in performing Surya Namaskar and Beginner warm-up exercises under the expert guidance of the instructor. The session allowed everyone to experience the benefits of yoga firsthand and left a lasting impression on the importance of embracing this ancient practice for holistic development.

With a sense of gratitude and appreciation, the event concluded with a heartfelt vote of thanks, acknowledging all those who contributed to the success of the celebration.

We are delighted to share some wonderful moments captured during the event through photographs, which are presented on the following pages. The pictures reflect the spirit

of unity and enthusiasm that prevailed throughout the International Yoga Day celebration.

We extend our sincere gratitude to The Heritage Club for organizing this event and to all the participants for making it a truly enriching experience. Let us continue to imbibe the essence of yoga in our lives, ensuring a healthier and more balanced existence.

## **Report : Sports Day**

Respected Sir/Ma'am,

We are thrilled to announce that the Department of Statistics at the University of Delhi joyfully celebrated its annual Sports Day under Azadi ka Amrit Mahotsav on November 26, 2022. This exciting event was thoughtfully organized by The Heritage Club with the primary objective of promoting the significance of sports among the students and faculty.

The day commenced with heartfelt best wishes from the Head of the Department and esteemed faculty members, who addressed the participants with words of encouragement and enthusiasm. The sports extravaganza began with captivating Kabaddi matches, where both the male and female teams demonstrated exceptional sportsmanship and strong team spirit.

Following the spirited Kabaddi matches, the participants showcased their agility, spontaneity, and physical prowess in engaging activities such as the Relay and Lemon-and-Spoon race. The air was filled with cheers and laughter as the participants gave their all, making these races truly exhilarating.

To conclude this memorable day, everyone gathered for the highly anticipated tug-of-war matches, which added a thrilling element to the event. Participants exhibited their strength, determination, and teamwork in these exciting matches, leaving the audience in awe.

The Sports Day proved to be an immense success, thanks to the active participation and wholehearted involvement of both students and faculty members. The event not only promoted sports and physical well-being but also fostered a sense of unity and healthy competition among the department's members.

On behalf of The Heritage Club and the entire Department of Statistics, we extend our warmest wishes and congratulations to all the winners and participants. This triumphant celebration would not have been possible without the unwavering support and encouragement from the department and its esteemed members.

We look forward to organizing more such events in the future to continue promoting the importance of sports and fostering a vibrant and active community within our department.

## **Report : Yoga Day**

Respected Sir/Madam,

On the occasion of International Yoga Day, the Heritage Club, Department of Statistics, University of Delhi, in collaboration with the Department of Computer Science, University of Delhi, successfully organised a yoga event on June 21, 2023.

The event commenced with an introduction to International Yoga Day and its significance and a warm welcome speech to honour the esteemed guests, including Ms. Prachi Sirohi, an accomplished yoga instructor; Prof. Naveen Kumar, Head of the Department of Computer Science and Dean, Faculty of Mathematical Sciences; Prof. Ranjita Pandey; and other esteemed professors.

Professor Naveen addressed the audience, acknowledging the intrinsic value of yoga and its profound impact on individuals and society as a whole. Ms. Prachi Sirohi led the event and guided the attendees through various asanas and exercises. She skillfully demonstrated each pose, providing clear instructions on proper alignment and breathing techniques.

As the session progressed, the participants became more relaxed and rejuvenated, experiencing firsthand the transformative effects of yoga. The event served as a

reminder of the significance of incorporating yoga into our daily routines, enabling us to lead more balanced and fulfilling lives.

Photos of the event are pasted on the coming pages.
