

The Heritage Walk, 2022

2nd April 2022

We all are aware of the story of the Taj Mahal. We know that Shah Jahan built the Taj Mahal in memory of his wife Mumtaz Mahal but do we know about a monument built in memory of the husband instead? Yes, there is a Mughal monument built by a wife in memory of her husband. However, this was built before the Taj Mahal. Yes, I am talking about the first garden tomb, Humayun Tomb.

On 2nd of April 2022 the Heritage Club finally conducted its first heritage walk in past 3 years. Following a strength of 52 students and two teachers, Dr. Arpan Kumar Thakur and Dr. Nisha Sumbherwal. We boarded for our journey in the bus at around 8:00 a.m. to our destination, The Humayun Tomb. We reached there in time around 8:50 a.m.

After reaching there we instantly got the entry as buying the tickets did not take much time. Reaching there we explored the tomb and its inside, including the main flower tomb which comprises of Humayun's tomb which houses the graves of his begums and other family members.

At around 11:00 a.m. we parted our ways towards one of the gardens of the tomb. Though the nostalgic vibes of picnic were refreshing, heritage club conducted various activities to keep the crowd engaged. Our 1st game was "cloth snatching" which everyone enjoyed as it was a 1 vs 1 activity and following it was our 2nd game "dumb charades" where we divided ourselves into two groups, girls vs boys. With a clear margin girls' side won by 2 points but still boys gave their best.

Without one noticing time passed like the cold and sweet breeze surrounding the park outside tomb. At 1:00 p.m. we retreated and went to the "Sundar Nursery" where we received our lunch which was pre-ordered for everyone. We had our first group lunch and the picnic vibes were hitting so hard it felt like those 6-8th class picnic trips and the tasty chur-chur naan thali with the gossips just felt like heaven on earth as a perfect day after ages we were experiencing.

Since Heritage club also takes care of its cultural element, we planned few more activities to spend the day with some more interesting games. First was kho-kho where we divided ourselves into groups, after a few matches we recharged ourselves with the cold chocolate shakes and can-drinks at a nearby booth. After kho-kho, we played games like human tic-tac-toe, passing the parcel, bingo, tug-of-war and number arranging.

Around 5:00p.m. when everyone was wearing out we decided to click some final group pics and departed our ways as our bus was waiting outside the nursery. And to conclude the trip everyone returned home safe and happy. The Heritage Club received blessings and warm regards from everyone present there and we wish to outshine as a club in the coming future.

A good day spent well.

The Heritage Club,
Department of Statistics,
University of Delhi

HR CONCLAVE 2021 : PROXIMO-AVENIR

"RECRUITMENT DYNAMICS IN THE FINANCE INDUSTRY"

Ranjika Debnath (Placement Head)
9433317767
placement@dbe-du.org

The Department of Finance and Business Economics, University of Delhi hosted the first leg of its prestigious HR Summit "Proximo Avenir 2021" on September 25, 2021. The theme for this year's Summit is "Conquering the Future". The event began with an opening note by Vice President Swar Jain and Prof. Yamini Gupta, Faculty Head for Placements, welcoming the esteemed panel members. The First Panel members discussed the topic "Recruitment Dynamics in the Finance Industry". The panel consisted of some of the industry's experts in their respective fields. The panelists were Ms. Megha Gupta, Ms. Jaya Laxmi, Ms. Anita Bhatia, Ms. Aditi Jha, Mr. Bikram Mishra (moderator). The discussion commenced with the moderator listing the finance-specific roles available in different sectors. Then the soft skills and hard skills were discussed that a potential candidate must possess to thrive in any particular sector. The panelists emphasized the importance of being aware of the jobs available, along with basic technical knowledge which is non-negotiable. Then the discussion moved towards the impact of automation on roles available. Towards the end, highlighting its benefits, the panelists asserted that no machine can take abstract decisions for us, which are essential in these unprecedented times.

'The future depends on what we do in the present' – Mahatma Gandhi

Department of Finance and Business Economics, University of Delhi is ecstatic to announce the 48th edition of its flagship event – 'The Annual Convention'. The affair is stated to witness some interesting panel discussions from esteemed industry leaders, with our Guest of Honour, Dr. Nagesh Kumar, gracefully navigating the audience in the theme "Millennium: Honouring the Past, Treasuring the Present, Shaping the Future".

Prof Nagesh Kumar is Director of the Institute for Studies in Industrial Development (ISID), a New Delhi-based public-funded policy think-tank under the Indian Council of Social Science Research. During 2009-April 2021, he served as Director at the United Nations Economic and Social Commission for Asia and the Pacific (UNESCAP), Bangkok holding several senior management roles including its Chief Economist, Division Director, and Head, South Asia Office. Earlier (2002-2009), Dr Kumar was the Director-General of the Research and Information System for Developing Countries (RIS), a New Delhi-based policy think-tank of the Ministry of External Affairs, Government of India. During 1993-98, he was Economist, UNU-MERIT, Maastricht, the Netherlands. He has also served on the boards of Exim Bank of India, ICTSD-Geneva, SACEPS-Dhaka. He has also served as a consultant for the World Bank, ADB, ILO, UNIDO, UNCTAD, UNDP, Commonwealth Secretariat, among others. A PhD from Delhi School of Economics, Dr Kumar is recipient of the Exim

CONQUEST

Conquest, organized by the Consulting Club at FMS during Fiesta, is a case competition registered on the Unstop platform. Open to both undergraduate and postgraduate students, the 2022 edition (Date: 25th February 2022) of Conquest garnered significant traction with over 56.5k impressions and the active participation of more than 900 teams. This event provides a platform for students to showcase their analytical and problem-solving skills, attracting a diverse and engaged audience.

Group Size	1-3
Rounds	3
Prize Money	50k

Every round serves as an elimination stage, and specific details for each round are outlined below:

1.Quiz:

The quiz is scheduled to take place on the Unstop platform, comprising approximately 25-30 questions. Following the completion of the quiz, the top 25 teams with the highest scores are selected to advance to the next round.

2.Case Study:

20 leading teams receive a case study, and their solutions for the assigned case are solicited. Subsequently, based on the submitted solutions, the top 6 teams are selected to progress to the next round.

3.Case Presentation:

The top six participants are required to present their case problems to the jury, followed by a round of questioning. The announcement of the three winners concludes this phase.

DataMaze 2022 (28th February 2022)

One of the biggest technology events, Data Maze can aptly be summed up as a battle between the best of the brains in the country to prove their grit in a challenge that will test participants' knowledge about Data Science and Analytics. The 2022 edition of Data Maze had 850+ entries across India, from the best analytical minds from the best Bschools and institutions all over the country.

The banner features a dark blue background with binary code (0s and 1s) in a lighter blue. In the top left corner is a small logo with three overlapping colored shapes (yellow, orange, red). In the top center is the FMS logo, which includes a white bird icon and the text 'FMS'. In the top right corner is the SYSSOC logo, which is a circular emblem with a globe and the text 'SYSSOC' below it. The main text is centered: 'System and Operation Society' in a large, bold, yellow font, followed by 'Presents' in a smaller white font, and 'DataMaze' in a large, bold, yellow font. To the left of the main text is a yellow trophy icon with the text 'Prize Worth Rs. 75000' inside it. Below the main text is the text 'KNOWLEDGE PARTNER' in white, followed by the KPMG logo in blue. At the bottom, a black bar contains the text 'Last date for Registraton on D2C 28th Feb, 2022' in white.

Entrepreneurship Cell, FMS Delhi conducted its flagship event on 26-27th February 2022. It provides a platform to connect the best of minds from corporate, academia, and the government. It included:

Basecamp - Basecamp is a closed-door pitching event of E-Summit 2022 that enables start-ups to pitch themselves to our Investment Partners and secure on-the-spot funding and feedback on their start-up ideas. This is made possible through the vast network of E-Cell, FMS Delhi which includes Angel Investors, Venture Capitalists, Incubators, and Accelerators, who will be on campus as a part of this event.

Innovator Talk series - Each speaker would be given around 20-25 minutes to interact with the audience. The discussion is free flow and the topic of the discussion is based on the speaker's profile and area of expertise. They would be sharing their journey, learnings and also shed light on the risks, rewards and tradeoffs of being an entrepreneur.

The Speakers participating in E-Summit 2022 were:

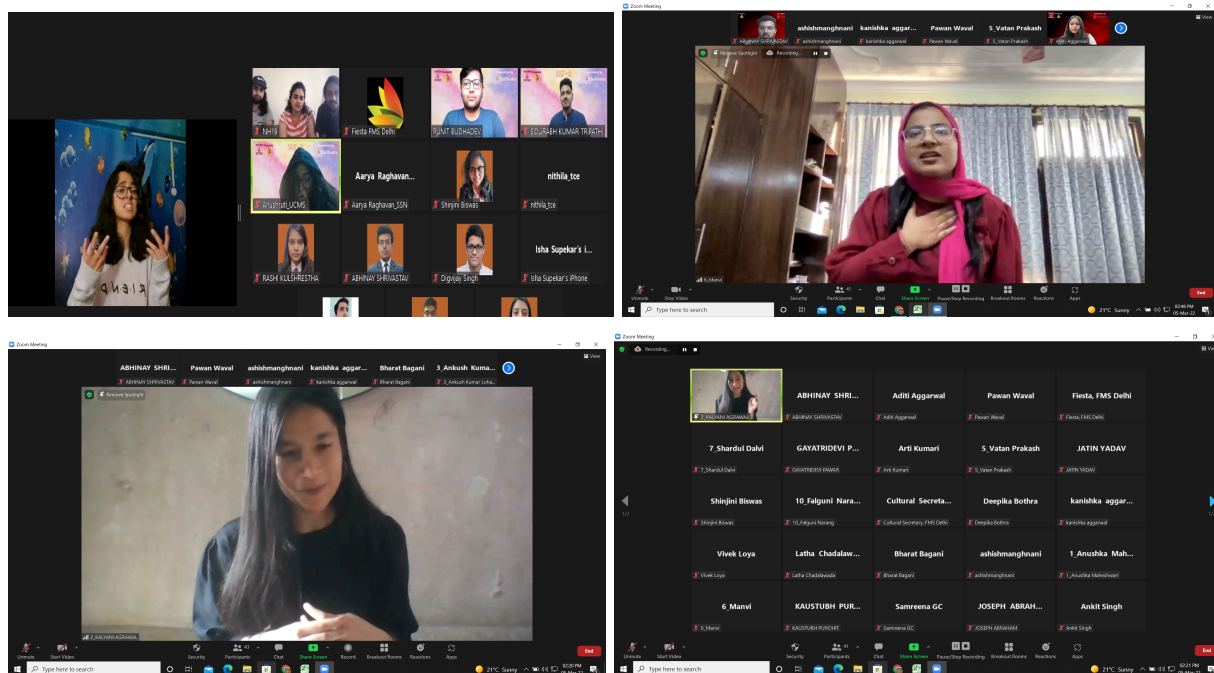

1. Mr. Amit Ranjan (Co-founder, SlideShare)
2. Mr. Rajesh Magow (Co-founder & Group CEO, MakeMyTrip)
3. Sanjiv Bajaj (Jt. Chairman & MD, Bajaj Capital)
4. Nikhil Aggarwal (Founder & CEO, Grip Invest)
5. Ruchi Tushir (VP & GM, Wolters Kluwer India)
6. Gaurav Malhotra (Senior VP, Citibank NA)

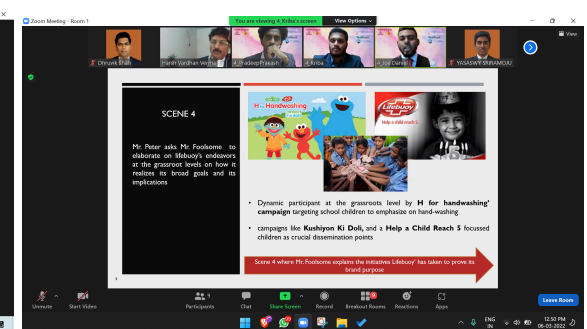

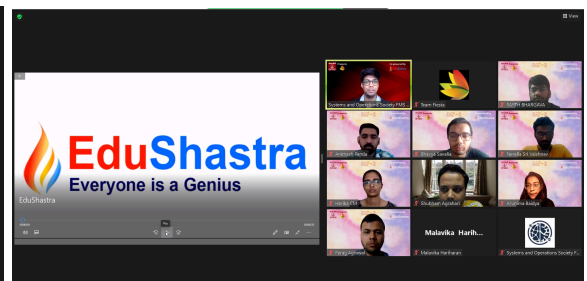

Fiesta, the annual management, cultural, and sports fest of FMS Delhi, proudly ranks 8th in the D2C list of most popular B-school festivals, offering over 55+ diverse events spanning three days and drawing over 8000 participants from across the nation. This extravaganza not only serves as a platform for competitive spirit but also as a hub for academic enrichment with guest lectures, seminars, and workshops by industry experts, facilitating networking and industry exposure. Moreover, Fiesta strikes a balance between work and play by hosting fun events, creating a vibrant and memorable experience, and solidifying its position as a cornerstone event in the B-school calendar and a testament to FMS Delhi's commitment to holistic development.

Date: 5th February 2022

Report : International Mother Language Day

Respected Sir/Ma'am,

The Heritage Club of the Department of Statistics organized a joyous celebration of International Mother Language Day under Azadi ka Amrit Mahotsav on February 21, 2022, using the online platform Google Meet. The main objective of the event was to commemorate International Mother Language Day and promote linguistic and cultural diversity across the globe. By organizing interactive and educational activities, we aimed to enhance the participants' appreciation for various languages and encourage inclusivity in our multicultural society.

The festivities included three engaging quiz rounds, each offering exciting challenges.

In Round I, participants showcased their knowledge by identifying words of Indian origin, with Ruchi Baid emerging as the victor. The second round tested the contestants' ability to recognise languages from audio clips, and Vivek Kumar claimed the top spot. The final round centered around guessing countries and their official languages, and Nibhir Tongchangya secured the first position in this captivating challenge.

The event proved to be an immense success, with enthusiastic and active participation from all. The organizers extend heartfelt congratulations to all the winners for their outstanding performances.

Photos of the event are pasted on the coming pages.

YOUTH DAY 2021 - 2022

A Webinar on the topic “Preparation Strategy for Indian Statistical Service examination” was organized by The Heritage Club under teacher coordinator and Head of the department Prof. Gurpreet Grover on National Youth Day, i.e on 12th January 2022 at 7:00 P.M. through Google Meet Platform.

The program began with a brief overview of National Youth Day and its significance, followed by a cordial welcoming address for the guest speaker, Miss Nausheen Musharraf (ISS AIR 6), an alumnus of the Department of Statistics.

The Speaker began by outlining the general layout of the ISS Exam, then went on to list the major considerations for preparation. In order to help participants pass this National level Examination, he provided his own experiences, ideas, tips, and tricks. The Question answer session was taken to clear further doubts regarding the examination. Students participated enthusiastically by asking their various doubts. The webinar was very interactive throughout with more than 90 participants.

Opsilium 2022 (27th February 2022)

Opsilium is the flagship event of the Systems and Operations Society. A case study cum simulation competition based on real time challenges faced by companies, Opsilium enables students across B-Schools to come together, strategise and experience the challenges of Operations Management. Every year the case competition attracts the best minds in operations and supply chain management from management institutions all over the country.

The poster is for the Opsilium 2022 event, organized by SYSSOC (Systems and Operations Society). It features a light blue background with faint brain and lightbulb patterns. At the top left is a colorful leaf icon, and at the top right is the SYSSOC logo. The central graphic shows a lightbulb with a brain inside, next to the word "Opsilium" in a large, bold, blue font, with "FIESTA X SYSSOC" in a smaller, white, sans-serif font below it. Below this, a calendar icon with a red checkmark is followed by the word "Deadlines" in a bold, blue font. The event schedule is listed: Registration - 27th Feb, 2022 (11:59PM), Labyrinth - 27th Feb, 2022, Tech Arena - 1st March, 2022, and Final Round - 6th March, 2022. The prize amount, "Prizes worth ₹2,00,000+", is displayed in a large, bold, white font. At the bottom right, the text "KNOWLEDGE PARTNER" is above the KPMG logo.

Report : International Yoga Day

Respected Sir/Ma'am,

On June 21, 2022, the Department of Statistics enthusiastically celebrated 'International Yoga Day' under Azadi ka Amrit Mahotsav with a virtual event organized by The Heritage Club, held via Google Meet.

The event commenced with an introduction to International Yoga Day, followed by a warm welcome speech. Prof. Ranjita Panday, our respected ma'am, graced the occasion and addressed all the participants, emphasizing the significance of yoga in our daily lives. She passionately encouraged students to incorporate regular yoga practice into their routines to maintain physical and mental well-being. The atmosphere became even more vibrant with the conduct of an engaging quiz round, which heightened the enthusiasm among the participants.

A captivating yoga demonstration was presented by Ms. R. Ritika, showcasing various yoga asanas. The students actively participated in performing Surya Namaskar and Beginner warm-up exercises under the expert guidance of the instructor. The session allowed everyone to experience the benefits of yoga firsthand and left a lasting impression on the importance of embracing this ancient practice for holistic development.

With a sense of gratitude and appreciation, the event concluded with a heartfelt vote of thanks, acknowledging all those who contributed to the success of the celebration.

We are delighted to share some wonderful moments captured during the event through photographs, which are presented on the following pages. The pictures reflect the spirit of unity and enthusiasm that prevailed throughout the International Yoga Day celebration.

We extend our sincere gratitude to The Heritage Club for organizing this event and to all the participants for making it a truly enriching experience. Let us continue to imbibe the essence of yoga in our lives, ensuring a healthier and more balanced existence.
