

## **Orientation/ Induction Programmes of Department of Persian**

The Department of Persian, University of Delhi, consists of a galaxy of dedicated teachers who are internationally recognized and appreciated for the literary works and the seminal books on the areas of their specializations. The department organizes weekly seminars on every Wednesday in which all the research scholars and masters' students including all the faculty members of the department participate, in the seminar a paper is presented that is followed by an interactive session. Department also conducts the special talks and lectures by visiting faculty are also very often being held in the department. Department of Persian also makes arrangement for Pre-PhD submissions and PhD confirmation presentations in weekly seminars. Departments of Persian in collaboration with some other national and international academic organizations organizes national and international seminars and conferences in which all the students and faculty members actively participate and present their research papers in that and it also conducts workshops and short term such programmes that can be helpful for the research scholars while writing their research work and doctoral thesis/dissertations. Department of Persian also publishes annually an international refereed, double-Blind Peer Review scholarly journal.
