**Delhi University**

**Subject : Intimation for your selection for ' Achievement Award for Advocacy of Visually Impaired' while celebrating 'Anhad' – a special programme for the visually challenged on February 25<sup>th</sup> 2017**

Dear Sir,

Greetings from India Eye IHRO and Best wishes for New Year!!

This has reference to our discussions this evening regarding 'Anhad' a programme being organized for the visually impaired.

Our organisation India Eye International Human Rights Observer is working on five verticals – Think Environment, Think Girl Child, Think Tribes, Think Senior Citizens & Think for Blind. A detailed report of our various activities during 2016 -17 under these verticals is enclosed.

Recently on December 31<sup>st</sup> 2016, we organised "Smile@60Plus", an event for senior citizens on the eve of New Year at Kamani Auditorium. Over 1000 senior citizens attended the event. Former CJI Shri K.G. Balakrishnan, Former Cabinet Secretary Shri T.S.R Subramanian, Former CEC Dr. S.Y Quraishi, Major General (Retd.) Dr. G.D

Bakshi, Drs. Raja Radha Reddy, Kathak Maestro Shri Guru Jitender Maharaj, were amongst 19 personalities, identified from different fields were honoured on this occasion.

Dr. Bishma Narain Singh, former Governor of Tamil Nadu & Assam was the Chief Guest & Shri Mahesh Kumar Singla, Special Secretary, Internal security, MHA; Govt. of India was the Guest of Honour at the event.

Coming February 25<sup>th</sup>, 2017, we are proposing an event '**Anhad**' for the visually impaired in New Delhi. Top visually impaired achievers from various fields such as academics, bureaucracy, law, music; Art & Culture, poetry, literature, Paralympics etc shall be honoured on this occasion.

There will also be a panel discussion moderated by Garry Subramanian , associate editor of The Hindu.

In addition to this, we will also have a cultural entertainment programme by visually impaired. The programme will primarily be attended by visually impaired people.

The basic objective of holding this programme is to have inclusive approach of society towards visually impaired citizens besides sending a message to the society to accept them in every walk of life including offering them engaging and productive employment.

Sir, visual impairment has never become an impediment in attaining your goals and aspirations. Being academican you have inspired umpteen number of youngsters to become professionals and serve the nation. You are an inspiration and a role model to be emulated by the youth of the country.

Our jury has decided to honour you with **Achievement Award for Advocacy of Visually Impaired**.

Your presence at the function will be a motivation for many. This function is going to be aired by many national broadcasters.

You suggested to send us some names to make an august audience besides being on our panel discussion.

We would be honoured and blessed by your presence.

Looking forward to your favourable response.

Warm regards,

Rakesh Sharma
