Dear Dr. Manchikatla,

I have great pleasure in informing you that the Academy has elected you its Fellow in the year 2007. I look forward to your active participation in the various activities of the Academy and hope that you will find your association with the Academy pleasant and fruitful.

\*The Fellowship becomes effective from the date the Fellow has paid his Life Subscription. I, therefore, request you to pay the Life subscription of Rs.600/= (Rupees Six Hundred only) through a Bank Draft in favour of 'The National Academy of Sciences, India, Allahabad' and return the enclosed Fellow's card duly filled alongwith your one-page resume and coloured passport size photograph. The certificate of Fellowship will be sent some time in February 2008.

The National Academy of Sciences, India, has been bringing out quarterly journals, viz. The Proceedings of the National Academy of Sciences, India (PNASI) (Section A - Physical Sciences), PNASI (Section B - Biological Sciences); and a bi-monthly journal viz. National Academy Science Letters (NASL). By virtue of being Fellow you will be regularly receiving NASL; and opt to receive either of PNASI (Section A or B). The other section of PNASI can be had on a nominal life time subscription (Details given in enclosed Fellow's Card).

I invite you to kindly contribute review articles (not exceeding 30 printed pages typed in double space) and research papers for publication in the Proceedings of the National Academy of Sciences, India (Section A/B). The author of the review article which gets accepted for publication in the Proceedings of the National Academy of Sciences, India (Section A/B) receives Rs.2,000/= (Rupees Two thousand only) as secretarial assistance.

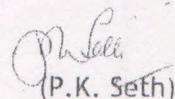

In National Academy Science Letters beside Short Research Communications, Lead Articles/Overviews of New Developments in Science & Technology (2-3 pages) in a language which can be followed by scientists who are not experts in the field; News/Views/Comments; Science and Technology Development and Policy Issues; Announcements regarding Forthcoming Symposia, Seminars etc. are published.

I am confident that your contributions would be extremely valuable in acquainting Fellows, Members, scientists and research workers specially the younger ones the excellent work being done by you.

I also invite you to attend the 77<sup>th</sup> Annual Session of the Academy and Symposium on "Novel Approaches for Food and Nutritional Security" during December 6<sup>th</sup> to 8<sup>th</sup>, 2007 at Central Food Technological Research Institute (CFTRI), Mysore. The Fellows can sign the Fellow's Register in Fellows Meeting on December 7, 2007 there.

With best regards,

Yours sincerely

  
(P.K. Seth)

General Secretary (HQ)

Encl : (1) Fellow's Card, (2) Sample copy of Journals.

\*P.S. If you have already paid the subscription for Life Membership earlier, kindly ignore this para and state in the Fellow's Card that you have already paid the life subscription.

Dear Young Scientist Awardee,

Kindly ignore the earlier mail.

Science and Engineering Research Board (SERB) has launched "SERB Women Excellence Award" recently. This award is given to women researchers below the age of 40 years who have received recognition from at least one of the National Science Academies including Engineering, Agriculture and Medicine. The award gives a research grant of Rs.5 lakhs per annum for a period of 3 years (total Rs.15 lakhs) plus Rs.1 lakh per annum as overhead to the implementing institution (total Rs.3 lakhs). No personal money is however given to the awardees.

We are happy to offer you the "SERB Women Excellence Award" in recognition of your selection as Young Medal winner of Indian National Science Academy, New Delhi. The award will be given on receipt of a research proposal which you would be undertaking during the next 3 years and an endorsement certificate from the institution where you will be implementing the proposal. A copy of your date of birth and a copy of recognition received from the Academy are also required.

You may use the "Extra Mural Research Funding" format of SERB for writing the research proposal. (available at [www.serb.gov.in](http://www.serb.gov.in)). Budget details need not be filled up. Kindly send the proposal at the earliest for release of grant.

With best regards,
