It is indeed a matter of great pride to invite you to participate in our campus recruitment process of MIB and MHROD. Since its inception, the Department of Commerce, has always believed in producing world class managers with global and cross functional mindset to meet the growing demand for skilled man-power in the intrinsic competitive knowledge industry.

The academic rigour of the course and the stringent selection process ensure that we draw best of the students from all over India. Two years of rigorous curriculum and numerous extra curricular activities shape the personality of our students. The dedicated efforts of the student placement committee coupled with guidance of the placement advisor ensure that the best companies come to campus. The excellence of our students is highlighted by their presence in every function of an organization in reputed companies with no geographical boundaries

Undoubtably, the institute takes the best, trains the best and produces the best in the country. It has always been pro-active in adapting to the changing needs of the corporate sector focusing on intellectually stimulating and mutually beneficial interactions that form the basis of firm relationships that have grown and strengthened over the years. I am very confident that our students will make a significant contribution to your organisation. We look forward to your participation in a mutually rewarding placement exercise.
