Dear Bhim Bahadur Subba,

It gives me great pleasure to inform you that you have been selected as a Visiting Fellow at the Harvard-Yenching Institute starting in the fall semester 2016. We will also be sending a letter to your university administrators to notify them of your selection.

Founded in 1928, the Harvard-Yenching Institute is an independent foundation dedicated to advancing higher education in Asia in the humanities and social sciences, with special attention to the study of Asian culture. The institute invites a group of excellent Asia-based scholars and fellows every year to come to Harvard for a research stay at the Institute.

The formal offer of our fellowship grant is enclosed in duplicate (one copy for you to keep and the other for you to sign and return if you accept). Information on travel, housing, and visas will be sent in a separate packet later on directly from the Visiting Fellows Office, Graduate School of Arts and Sciences, Harvard University.

We ask that you plan to arrive in Cambridge in time to attend a Harvard-Yenching orientation session, which will be held in late August. GSAS registration and the start of Harvard classes are also scheduled for late August. During your research stay, you will be expected to consult with Harvard faculty members in your field on your dissertation research project. You are also required to attend weekly HYI visiting fellows workshop and to submit two book reviews in English.

If you receive funds from another source, you must notify the Institute so that a suitable adjustment can be made. Recipients of a Harvard-Yenching Institute Visiting Fellowship are not allowed concurrently to accept another source of funding (e.g. a Fulbright or Ford Fellowship).

Should you have any questions about this fellowship before making your decision, or any circumstances that might affect it, please do not hesitate to contact Dr. Li Ruohong, Assistant Director for Academic Programs and Planning, at [<ruohong_li@harvard.edu>](mailto:ruohong_li@harvard.edu). We would appreciate a reply at your earliest convenience.

We very much hope that you will accept this offer and look forward to having you in residence as an active member of our scholarly community for the coming academic year.

Sincerely yours,

Elizabeth J. Perry
Director, Harvard-Yenching Institute
