Proposed theme and scope of research for M.Phil./Ph.D.

NOT APPLICABLE

Major writings in the field in which you would like to pursue your M.Phil./Ph.D.

Besides, so many interesting topic of problems and issues which can be undertaken, there are two major field in which I am keen to do my research. They are.

1. Andragogical Approach: The case study on the Elderly (person's) population in the far hilly North Kangpokpi district of Manipur.

2. University Extension Approach: The case study on the University Extension Approach to non-formal learning/educational institution.

As far as the original contribution in the field of proposed research is concerned, I have not done it formally, but it was my day to day experience and opportunity to interact with hilly valley based community as a part of once my 'Youth 4 Change' outreach programme and workshop. These mediation imply me so much to take up research and help the hills valley based community in the best level from my academic research.

Primary sources/field work, methodology, hypothesis/research, questions and issues in the proposed field of interest.
