Roll No.: 15031548

Subject: Electronic Science

Dear Candidate,

You had applied in the UGC-NET held on 27th December, 2015 for Junior Research Fellowship in the General category. I am pleased to inform you that you have qualified by securing marks at par with qualifying cut-off for General category. The tenure of the fellowship is five years and it commences from the date of declaration of NET result, i.e., 11th April, 2016 (or) from the date of Registration under M.Phil/Ph.D. (or) from the date of joining in M.Phil/Ph.D. programme, whichever is later. The summary of the financial assistance offered under the scheme is mentioned in **Annexure I** (all Annexures mentioned in this letter are available on www.ugc.ac.in/netjrf).

The Awardee is required to get admission and registration for **regular and full time M.Phil/Ph.D.** course in a University/Institution/College recognized by the UGC at the first available opportunity **but not later than two years** from the date of issue of this award letter. The University/Institution/College is requested to process for the award of JRF based on this letter, in accordance with the procedure available on www.ugc.ac.in/netjrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to the bank account of the Awardee, (any bank) directly. The list of designated branches of Canara Bank is available on the UGC portal www.ugc.ac.in. The Awardee is required to approach the designated branch along with a copy of the **Award letter, Joining Report, Annexure II** and an **undertaking Annexure II (a)**. The Awardee is also required to submit the following documents to the designated branch of the Canara Bank at the stipulated period/interval:

1. At the end of every three months a '**Continuation Certificate**' in the prescribed proforma **Annexure III**. This will make the Awardee eligible to draw the fellowship for the next three months.
2. Half yearly **Progress Report** in the prescribed proforma **Annexure IV** along with the '**Continuation Certificate**'.
3. Details of the expenditure incurred out of the contingency grant to be submitted annually in the prescribed proforma **Annexure V**.
4. The claim towards HRA is subject to the submission of **HRA certificate** in the prescribed proforma **Annexure VI**.
5. After the completion of two years of award of fellowship an '**Upgradation Certificate**' needs to be submitted in the prescribed proforma **Annexure VII** along with **Progress Report and Continuation Certificate**.

It may also be noted that UGC has proposed to link "AADHAAR" with student's bank account number so that there can be direct cash transfer and effective disbursement of fellowship into the bank account of the student. In this regard Secretary, UGC has already requested the universities to help the students in Aadhaar Enrolment vide his D.O. letter No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled and it will also attract legal action against the Awardee in the following cases:

- i) If the Awardee is found to be ineligible to receive the award at any point of time during the entire duration of the fellowship.
- ii) Misconduct of Awardee.
- iii) Unsatisfactory progress of research work of the Awardee.
- iv) In case, any other fellowship is drawn from other source(s).
- v) Concealment of facts or on any other ground of misconduct.

In order to provide easy accessibility, all the details of the scheme, its requirements, all the prescribed proforma for submission of the documents along with the details of the designated branches of Canara Bank are available on the UGC portal www.ugc.ac.in/netjrf

The e-Certificate of eligibility for Assistant Professor has already been uploaded on www.ugcnetonline.in. The category and eligibility of the candidate is to be ensured by the institution/appointing authority.

With best wishes,

(Surender Singh)

Prof. Tirthankar Bhattacharyya

Organizing Chairperson GATE2016 on behalf of NCB-GATE, for MHRD

The GATE 2016 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this scorecard in GATE 2016

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2016 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2016 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

M is the marks obtained by the candidate in the paper, mentioned on this scorecard in GATE 2016

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2016 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2016 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
