## TERMS AND CONDITIONS:

Please convey your acceptance of the offer of admission online by clicking on the ACCEPT button and by remitting Admissions Fee of **Rs.35950 (Rupees Thirty Five Thousand Nine Hundred Fifty )** on or before June 30, 2017.

You may login to the Applicant's Interface and click on "Pay your Admission Fees" link. You can pay the admission fee through any one of the following modes using the appropriate links provided therein:

(1) Online Payment - using gateway through Credit/Debit Card, or

(2) Net Banking (Account to Account transfer)

DO NOT MAKE A SECOND PAYMENT. If you have a transaction ID for having made your payment and amount deducted from your account, just check the application status after 24 hours. The status should have changed to "Admission Fee Received". In case you do not see this status after 24 hours, you may send an email to [jr@academic.admin.iisc.ernet.in](mailto:jr@academic.admin.iisc.ernet.in) giving particulars of your Application number and payment transaction ID.

- **Your admission is subject to producing the valid JOINT CSIR UGC NET for JRF certificate (Jun 2016) stating 39 Rank, as you have been selected based on this examination and score.**

- If, after acceptance and payment of the fees, you are not in a position to join the Institute please inform us by updating it online by clicking on "Withdraw Admission offer" on or before July 10, 2017 (upto 5.30 pm). This will help us to operate the waiting list and fill up the vacancies. In the event of withdrawal/cancellation of admission you will be refunded amount paid towards admission fee and hostel deposit as per UGC norms.

Further, it may be noted that:

1. You must report at the Faculty Hall of the Institute on July 26, 2017 at 9.00 am along with the original documents and certificates as detailed under item-I of Annexure-A link available in the Applicant's Interface after login.

2. You should have completed all the requirements for the award of your qualifying degree (including all examinations, dissertation project and viva voce) before joining the Institute.

If you have completed all the formalities for the award of degree, but you are awaiting results of your final examination, you should produce the course completion certificate, as issued by the Principal / head of the institution, at the time of admission. In such a situation you will be given only provisional admission, subject to the condition that you will produce all the necessary documents by **October 31, 2017**, failing which the provisional admission may be cancelled.

3. Confirmation of admission is subject to verification of your GATE /JEST score or JRF certificate or INSPIRE award letter, and other academic records, scheduled caste/scheduled tribe/ OBC -(NCL) certificate/ person with disability/Kashmiri migrant certificates (as applicable) and other eligibility criteria, as laid down in the online Admission Information Brochure 2017.

4. All the regular (non-sponsored) students will be paid monthly scholarship/fellowship as stated in the online Information Brochure 2017 under the heading "Fees and Scholarships".

Students who are admitted through CSIR/DBT/ICMR JRF/NBHM/INSPIRE mode are required to send their joining report to the respective agencies within 15 days from the date of joining the programme. Students who are admitted through UGC JRF fellowships are required to submit the joining report within 15 days to the CANARA BANK, Campus Branch for activating the UGC fellowship, as per the UGC guidelines.

All the students who are admitted through the above indicated JRF/NBHM/INSPIRE fellowship mode must come prepared to join the Institute with sufficient money (to meet their expenses) till the date of receipt of fellowship from the respective agencies.

5. Hostel accommodation for men and women students is available on the Institute campus, for the duration of the course (6 years for Ph D/ 3 years for M Tech(Research)). However, hostel accommodation is subject to availability and is offered on a first-come-first-served basis. If you choose to avail the hostel facility, you may click "Yes" for the hostel option available in the "Pay your Admission Fees" link in the Applicant's Interface. You are then required to pay an additional amount of Rs.45,000/- (Rupees Forty Five Thousand only) Rs.20,000/- towards refundable hostel deposit and Rs.25,000/- towards advance payment of Mess and Room Rent for first five months. (In case you have difficulty in making whole payment of Admission fee and Hostel deposit at one go, the provision is made for making separate payments. First time you can pay admission fee by clicking on "No" against "avail hostel facility", and at a later stage you can make payment by clicking on "Pay your admission fee" link and click on "Yes" against "avail hostel facility" then system will allow you to make payment of hostel deposit alone.). For more information about hostels see the website <http://hostel.iisc.ernet.in>. No temporary accommodation will be provided until the candidate officially joins.

6. You will be governed by rules laid down by the authorities of the Institute from time to time.

Dear Candidate

We are pleased to inform you that you have been selected for admission to the following programme of study beginning Monsoon Semester 2017-18: -

| Programme of Study              | Field of study |
|---------------------------------|----------------|
| PhD/M.Phil.-PhD/M.Tech/MPH-Ph.D | ONEP(185)      |

**You are requested to present yourself IN PERSON for admission/registration from 26th to 28th July 2017 and 31st July and 01st August 2017 along with all original certificates/degrees/marksheets etc. of qualifying examination and two self attested copies of each of the certificate/degree/marksheet etc. as per enclosed details in support of your eligibility for admission to the above mentioned Programme/Field of Study.**

**Please note that the offer of admission is subject to your fulfilling the minimum eligibility requirements as laid down by the University and notified in the e-Prospectus and verification of particulars indicated by you in the Application Form. In case it is found that you do not fulfill the prescribed eligibility requirements and other conditions, you will not be admitted to the above programme/field of study.**

**Fees will be accepted through Debit Card/Credit Card/Net banking only. The online payment can be made through the link provided for online payment. Please note that fees will not be accepted in Cash/Cheque/DD or other offline mode.**

**The last date for completion of admission/registration formalities is 1st August, 2017.** However, in case you are not able to complete admission/registration formalities before 1st August, 2017 due to non-declaration of the results of your qualifying examination, you are required to communicate your acceptance of offer of admission with proof of payment of requisite fee of Rs.295/- (Rs. Two hundred ninety five only) + bank charges as applicable at [ar\\_admissions@mail.jnu.ac.in](mailto:ar_admissions@mail.jnu.ac.in) on or before 1st August 2017 failing which the offer of admission shall stand cancelled. Having given your acceptance along with requisite fee, you will be required to complete the admission/registration formalities upto 14th August 2017. Also please note that admission/registration will not be permitted after the deadline of 14th August 2017 under any circumstances and no correspondence in this connection will be entertained thereafter.

In view of the limited hostel accommodation, the candidate should clearly understand that the grant of admission to any programme of study in the University would not ensure allotment of hostel accommodation and that the accommodation will be offered to the eligible applicants subject to availability. The candidates desirous of being considered for hostel accommodation are required to apply for allotment of hostel accommodation to the Dean of Students only after completion of admission/registration formalities. Please note that the waiting list could be one to two semesters

With best wishes,

Yours faithfully

Dear Raman,

I am happy to inform you that your request for deferment program for a period of one year has been granted, to enable you to complete the MSc Zoology programme you are currently enrolled in. Once you have an MSc, you will no longer be eligible for the Integrated PhD programme. You will be expected to join the NCBS PhD programme directly on August 1, 2018. No deferral is possible beyond that date.

This deferral is contingent on you completing the requirements of your current MSc programme satisfactorily. You would have to satisfy the same eligibility standards as all our incoming students, which includes passing the requirements of the most recent degree, absence of misconduct or other adverse issues, proof of the degree being granted, and so forth.

Do write to me confirming that you have accepted to defer your entry. Please do remain in contact with the campus over this coming year to keep us updated on your progress.

Subject: Invitation to apply to IISER Bio PhD program

Dear Applicant,

Congratulations on your performance in the Joint Graduate Entrance Examination for Biology and Interdisciplinary Life Sciences (JEEBILS). We are pleased to inform you that you have been shortlisted, based on your JGEEBILS score, to apply to the PhD program in Biology at IISER Pune for the academic session starting from August 2017. In addition to your JGEEBILS score, you will also be required to satisfy additional criteria, listed [here](#), to be eligible to apply. You can submit your application using this [link](#) to the application form.

Please note that based on the application and other criteria, students will be shortlisted for an interview. You will receive a separate email from us informing you whether you are eligible to appear for the interview. The interviews are likely to be held from **March 23rd to March 25th, 2017 at IISER Pune**.

**The last date to submit your completed application is March 9th 2017**

We would like to take this opportunity to introduce you to the PhD program in Biological Sciences at IISER Pune.

The Indian Institute of Science Education and Research, Pune (<http://www.iiserpune.ac.in>) is an autonomous research institute set up by the Government of India and declared an

Institute of National Importance by an Act of Parliament. The IISERs were set up with the primary goal to integrate high quality research with undergraduate teaching to improve science education in India and to enhance the number and quality of future researchers of the country. To put this in a familiar context, IISERs are science institutes on the same lines as IITs are technology institutes. All IISERs are well funded like other premier research institutes.

Faculty at IISER Pune are carefully chosen for their research accomplishments, promise and teaching proficiency. IISER Pune's biology community represents the entire spectrum of biology, from the chemical origins of life to ecology. Our faculty and students investigate biological processes at all spatial scales and complexity (from single molecules to pathways to cells to organisms and populations). Methods include appropriate model organisms, state-of-the-art instruments, computational and mathematical techniques. You frequently come across faculty and students pursuing mathematical biology, biostatistics, bioinformatics, biophysics, chemical biology and computational biology among others. You can find more information about our faculty and their research interests [here](#).

Given the broad scope of the research done at IISER Pune, we are also open to applicants who have specialized in areas other than Biology. For candidates interested in working primarily in the area of computational or mathematical biology, you may choose to work with the faculty members listed [here](#). For candidates interested in working in the area of ecology and evolution, potential faculty mentors are listed [here](#).

The PhD program at IISER Pune is a blend of research, classroom curriculum and mentoring under-graduate students. Research scholars are expected to complete at least 16 credits of course work within the first two semesters followed by a comprehensive examination to assess the student's candidacy for PhD. Our pedagogy is research-based and inquiry-oriented. There is a strong emphasis on using the current primary literature in the classroom. This ensures a continually updated content, and trains students to read, understand, and critically evaluate the primary scientific literature. Participatory teaching techniques like group learning, assignments and student presentations are actively used as part of these courses.

Our labs rank among the best in the country. At IISER Pune you will have an opportunity to learn as well teach in a vibrant academic environment. An active group of faculty and students will help you in your research by critically reviewing your work in seminars and informal discussions. You will be exposed to the frontiers of science through your own research and through workshops, conferences, symposia and seminars by visiting scientists from across the globe. You will have access to several hundred biology journals. Generous funding is provided to attend national and international conferences. IISER also has active collaborations and memoranda of understanding with several international education and

research institutions facilitating student visits to research labs when needed.

IISER Pune provides modern and comfortable hostel accommodation with good sports and gym facilities in our 95-acre campus. Several student run organizations and outreach groups, actively supported by IISER, provide ample opportunity to students to express their creativity and be part of a larger community. More information on student life can be found [here](#).

We look forward to seeing you in IISER Pune.

Regards,

Collins Assisi and Jeet Kalia

Dear student,

Based on your JGEEBILS examination score, we are writing to you about an exciting new opportunity for pursuing your doctoral studies at the new campus of TIFR in Hyderabad. If selected, your admission will be to the TIFR Deemed University, and you will be stationed at the TIFR Centre for Interdisciplinary Sciences (TCIS) in Hyderabad for carrying out research towards your PhD degree.

The world over it is increasingly being appreciated that comprehensive answers to scientific questions requires tools from different disciplines.

The mandate of TCIS is research at the exciting interfaces of disciplines
