The FMS Alumni Association (FMSAA) is a registered body of graduates of the Faculty of Management Studies, University of Delhi. Its' primary objective is to network its alumni and make them actively participate in their alma mater's functioning while at the same time helping them rekindle old relationships. Ever since its inception in January 1998, the association has been actively undertaking numerous activities and has met with instant success. The alumni have come forward in hordes to help their alma mater.

In its attempt to foster a closer relationship between the students, the faculty and the alumni, the FMSAA organizes a wide range of activities. This includes lecture talks, theatre shows, alumni dinners' etc. To count some of its activities - the FMSAA every year organizes a silver jubilee batch reunion dinner and get together at the FMS Campus. It is one of the most memorable day at FMS, with the Faculty, Alumni and current students cherishing the whole experience of being at FMS. In an effort to keep alumnus up to date with the happenings at FMS, the alumni association organizes annual dinners at the various cities in India and abroad. In the year 2009, FMSAA organized city chapter dinners at Delhi, Mumbai, Kolkata, Chennai, Bengaluru, Hyderabad and Singapore.

The association has been activating alumni all over the country. This is only a beginning towards our increasing geographic spread. One of the basic tenets of such associations is networking of the alumni. The first step towards this is to keep the contact alive with all the Fmsites. The Alumni Directory and the newsletter '*FootPrints*' serve this purpose very effectively. The association has been very active in generating more and more contacts with FMSites. At present, it has a database of more than 4800 active alumni.
