Subject: Request for signing **Declaration and Attestation** form for ICMR Extramural Ad-hoc proposal

Respected Sir,

I am herewith submitting 3 copies of research proposal titled "**Statistical Modelling to Predict the Survival Time of the TB Patients in a Tertiary Care in India**" to be considered by the Indian Council of Medical Research (ICMR) for financial assistance.

The total duration of the project is three years and the cost is **₹ 62,52,000**

Thanking you

Gurprit Grover

Professor and Head
Department of Statistics,
University of Delhi.

Enclosures:

- 1) Form 4
- 2) Three copies of proposal
- 3) ICMR guidelines
- 4) Declaration and Attestation form

Justification for the budget:

We will require two **Senior Research Fellow** and one **Research Assistant** for the entire duration of the project. SRFs with expertise in STATA, R and WinBUGS will develop models and algorithms and will also help in making data dashboard (including database maintenance), dissemination of the project findings. Research assistant with expertise in Excel/VBA will clean data, will prepare codesheet and file format for model development and will assist in report writing. **Account assistant** will do all documentation work, printing works etc.

STATA 16/ SE Software would be needed for database maintenance and statistical analysis.

Contingency budget is required for capacity building for the project, for stationary, printings, cartridges and other ordinary expenses.

Meetings and travel would be needed for finalization of the study design, tabulation plan, project report. This will also be utilized in attending workshops, seminars, conferences and meetings.

Dissemination workshop would be held to discuss the results obtained from the research and for sensitization of the stakeholders towards the database and the study findings to aid the policy decisions taken in public interest. This is also needed to encourage and streamline the research in this field.

Overhead charges is in accordance with rules.
